

hermosa beach MUSEUM

OUR MISSION

The Hermosa Beach Museum was founded in 1987 with the mission to engage, delight, and educate through the presentation and exploration of local culture and history.

OUR MUSEUM

The Hermosa Beach Museum offers educational lectures, documentary screenings, field trips for all ages, workshops, exhibitions, collections access, and volunteer opportunities. We also partner with local nonprofits, schools, and civic organizations to host community events and celebrations that bring people together and strengthen connections throughout the South Bay. In Spring 2026, the Hermosa Beach Museum achieved accreditation from the American Alliance of Museums, the highest national recognition awarded to museums for excellence, accountability, and service to the public.

OUR FUTURE GOALS

- Expand and diversify our educational programming to better serve and engage the South Bay community
- Renovate and expand our museum facilities to create new exhibition, education, and community gathering spaces
- Implement the goals of our MP50 25-Year Vision Plan to ensure the Museum's long-term growth, sustainability, and impact
- Advance digital access to our collections and archives to support research, education, and public engagement

2025 Gala Fundraising Event

Attendance: 180+

Funds Raised: $77,000+

Our 2025 Gala was our largest to date in funds raised.
We are aiming higher for our 2026 event.
